Next steps

The Company is delighted that the resolution to Move to AIM has been approved by Shareholders.

In order for the Company's Ordinary Shares to be eligible for the possible tax benefits arising from the Company's Ordinary Shares being traded on AIM, as described in the Circular, the Company cannot retain its secondary listing of the Ordinary Shares on the Luxembourg Stock Exchange. Accordingly, the Board intends to apply for the cancellation of this secondary listing as soon as practicable.

The Board has, following discussions with the Company's advisers, concluded that the Move to AIM should be delayed until the de-listing from the Luxembourg Stock Exchange has been achieved. Once the expected timetable for the de-listing has been agreed, the Board will provide an update as to timing for the Move to AIM.

Except as otherwise defined herein, capitalised terms have the same meanings as set out in the Circular dated 11 July 2014.
